Arrecife

35500 Arrecife

Lanzarote

Spain

Situated on the eastern coast of Lanzarote, Arrecife is known for its vibrant maritime atmosphere, cultural attractions, and bustling commercial activity. The city's name, which means "reef" in Spanish, reflects its history as a coastal port and fishing village. Over time, Arrecife has grown into a modern urban center while still maintaining its connection to the sea. The city's harbor is an important hub for both local and international shipping. Arrecife offers a mix of traditional Canarian architecture and contemporary developments. It features a range of shops, restaurants, and cultural sites, including the International Museum of Contemporary Art (MIAC) and the Charco de San Ginés, a picturesque saltwater lagoon in the city center.
